

# Release Plan

**Product Name:** Slug Hub

**Team Name:** Slug Hub

**Release Name:** Initial Product Development Plan

**Release Date:** July 25th, 2019

**Revision Number:** 1.0

**Revision Date:** July 1st, 2019

(Talk to TA ABOUT: Security for login info, how to store login info, instant log in macro?, web scraping for course info, scalability of app)

High level goals:

- Automatic sign in the portal and canvas
- Complete architecture navigation
- Customizable calendar and preferences
- Good UI
- Complete set of resources for students
- Scalable framework for any future development

User stories for release:

- Sprint 1: (portal and canvas, skeleton, and academic info)
  - (---) As a developer, I want to be able to edit pages and update the app easily, so that future development can continue
  - (10) As a student, I want to know what classes are offered each quarter, so that I can graduate on time.
  - (10) As a student, I want to know what class do I need to graduate, so that I can make plans.
  - (9.5) As a student, I want to be able to sign in to canvas and portal once, so that I can save time
  - (6.5) As a student, I want good UI/UX, so I can use the app comfortably
- Sprint 2: (signing up for stuff, calendar)
  - (9) As a student, I want to be able to form study groups, so that I can meet with classmates
  - (8) As a student, I want to see an academic calendar on my phone, that shows me when important deadlines and school events (OPERS fest, concerts) are approaching
  - (7.5) As a student, I want good UI/UX, so I can use the app comfortably

- Sprint 3: (Career, final touches (piazza, crowdgrader, grepthink) (UI and art) (etc))
  - (8) As a student, I want good UI/UX, so I can use the app comfortably
  - (7) As a student, I want to be able to access Handshake and Slug Hub in the same app
  - (7) As a student, I want to be informed about upcoming Job Fairs, Resume Workshops etc.
  - (7) As a student, I want to do research with professors so that I can get into a Masters Program
  - (4) As a student, I want to be actively engaged, so I can make the most of my time at UCSC (academics, social life, entertainment)
  - (4) As a graduating student, I want to be aware of job opportunities, so that i can be successful
  - (4) As a student, I want to find summer internships, so that I can find jobs easier

**Product backlog:** (empty)
